Profile	<p>I am a full-stack developer with a strong passion for front-end development and a flair for creative web design. Currently, I am working on a back-end project for my learning institute in Thenland. As a recent Computer Engineering graduate (2024 batch), I am eager to launch my career.</p> <p>I came across your company website and was impressed by your organization's mission and values. I am excited about the opportunity to contribute my skills and experience to your team and grow with the company long-term.</p> <p>Could you please consider my application and let me know if my skills align with your company's needs?Thank you for your time and consideration.</p>
